

Vitamin C Gummy

Antioxidant, immune, and vascular support[†]

INDICATIONS

- Ages 4 and up
- Offers broad physiological support, including antioxidant, immune, and vascular support[†]

BENEFITS

- Offers broad physiological support, including antioxidant, immune, and vascular function[†]

FEATURES

- Great-tasting natural sour-orange flavor
- Enhanced with organic berry/fruit blend
- Naturally flavored and lightly sweetened with prebiotic fiber isomalto-oligosaccharides, cane sugar, and stevia

VERIFIABLE SCIENCE

Vitamin C offers a wide range of support for the human body, including acting as one of the most potent dietary antioxidants and providing nutritional support to all physiological functions.¹ Vitamin C may provide protection from reactive oxygen species released as part of a normal immune response. It maintains healthy mast cell function and supports lymphocyte formation.²⁻⁴ It also supports the body's defense system by enhancing white blood cell function and activity, and increasing interferon levels, antibody responses, and secretion of thymic hormones.^{5-7†}
